Dear Mr Halden,

Happy Halloween!

Steven Carthy here, I'm a homeowner here on Taft Avenue and have been speaking with neighbors nearby about the issue on the corner. I know that Ricky Bouguille had been in touch with your office and you are aware of the situation. As of this afternoon much of the material that was removed this morning by the 311 request has been replaced by other stuff.

When discussing this matter with the management at the 7-11, Pier 1 and California Donuts it was suggested that the large construction site is a contributing factor. The Chaos inherent in a large scale project like that can increase the amount of people polluting the area nearby. 7-11 is currently doing a remodel so they have a dumpster and temporary storage container in the lot which does not help the situation.

I am writing to let you know that I have reached out to the office of Wood Partners who are in charge of the large construction site on our corner. https://www.woodpartners.com. I spoke with Beth Nooney at one of their east coast offices and she asked that I send her an e-mail with my info but have not heard back yet. Their web site also has a generic contact request form but I've not heard back from that either. Wood Partners' contact number is 713-496-3111. I am in hopes that they will engage the community and hopefully assist in some way, informational or otherwise.

I have some specific ideas on how to mitigate the problem but would need the support of the business owners and your office in order to move forward.

Thank you for taking the time to read this and please acknowledge receipt.

Sincerely,

Steven Carthy

LAPD partners:

FYI, I got an inquiry floating the idea of a street closure of Hudson Ave at Hollywood Blvd on New Year's Eve, to accommodate some kind of party in the street. Though the requester says there would not be alcohol involved, **CD13 is not comfortable with this request,** given the high volume of activity that usually occurs in the area on New Year's Eve.

Should any such request make its way to you, I wanted to let you know our stance.

Police routinely sweep through the premises and expel squatters from the property. Bolour was employing security over there for about two weeks following the big Palmer building operations on September 12th. Bolour has not had security on the premises since early October and I fear that the property has become occupied with squatters again. The exterior of the premises is presently unsightly and there are always transient loiterers and piles of trash deposited around the exterior of the property.

Dear Craig,

I am writing regarding Mehdi Bolour (Denley Investments) who owns and manages a property next door to us. We manage The Line Lofts on 1737 N Las Palmas Ave. His building is to the north on 1749 N. Las Palmas Ave. I regret having to pen this email about a neighbor of ours, but the situation is dire and dangerous to the residents of The Line Lofts.

Since Mr. Bolour has emptied the building next door of its residents, it has turned into a site of criminal and vagrant activity. The building is a blight. It smells of human waste and is the launching pad of criminal activity -- including arsonous conduct (there was a minor explosion when a vagrant sought to vandalize the main electrical box).

Additionally, several people have been witnessed exiting the building on 1749 N Las Palmas Ave by climbing the fence and entering our property on 1737 N Las Palmas Ave. We have much of this on photos and video.

There needs to be oversight and security on this property to avoid additional harm. The nuisance poses major security risks for our residents and our building next door. (We have already had to allow 3 residents to break their lease because they lived on the 2nd floor and constantly complained of the conduct emanating from Mr. Bolour's property and we have not been able to prevent it.)

Please note that Mr. Bolour is currently under investigation for similar issues around the corner: https://la.curbed.com/2018/9/13/17855612/mehdi-bolour-property-hollywood-raid-hotel.

Please help us make Hollywood a safer community for residents and other stakeholders.

Thank you.
Alan Nissel

I am getting so many complaints from my staff saying they don't feel safe walking into work as those tenting there, are approaching our staff. Also our members are complaining too and just don't feel safe. I am hoping maybe some additional resources can be provided for the Selma corridor.

Hi everyone,

Now that the 1533 Schrader Blvd bridge housing project is under construction and we are in the "90 day/30 day" period, I am setting up a weekly "check-in" conference call to discuss outreach strategies, and to allow all agencies an opportunity to share information and coordinate.

This will be an opportunity for everyone to get on the same page and everyone is swimming in the same direction. The goal, of course, is to identify 70 individuals currently experiencing homelessness who will be able to move in to Schrader when it opens, ETA mid-January. I also want to make sure that our office is staying in touch with all of you, and monitoring the pulse of the area, throughout this period.

I am asking for the following agencies and entities represented on this call:

Mayor's Office
CD13
LAPD
LASAN
Park Rangers

LAHSA
PATH
The Center
Hollywood BID

Cory and Steve -

Cory, this is the gentleman you and I were speaking about before. As you can see from his email below, my belief is that this is an individual who generally has a positive experience with law enforcement, but in this case he did not. I let him know that both our office and Hollywood Division take very seriously any allegations of unprofessionalism or any other uncomfortable experience an individual has with police.

If you or the appropriate officer(s) can reach out to him, I would appreciate it. I think it would go a long way. His phone number is [redacted].

Please keep me posted.

Subject: Introducing the "HEART of Hollywood" Initiative, and My New Role at CD13

Friends,

I have some news to share with you this morning. The office of Councilmember O'Farrell is pleased to announce *HEART of Hollywood,* a new long-term strategic and creative initiative which will focus on promoting economic growth, world-class design, and a strong sense of place and community in the historic core of Hollywood.

I encourage you to read our press release below, which has some initial details on this initiative. You can also check out this article:https://beverlypress.com/2018/10/ofarrell-announces-heart-of-hollywood-project/

We will have more to share soon, over the coming weeks and months. But the main detail I can provide now is that, after four and a half years as your Hollywood field deputy, I will be moving on from my current position and transitioning into a new role as the Director of *HEART of Hollywood*.

Serving as your field deputy has been an enormous privilege, and I am very proud of the work we have done together. Though any change can be bittersweet, I am excited to be able to continue and build upon our accomplishments in my new role, with this new initiative.

What does "HEART" mean, you might be wondering? It means that our focus will be on the literal and figurative *heart* of Hollywood, and that the priorities of this initiative will be to value our **History,** grow our **Economy,** celebrate the **Arts** and **Architecture,** and achieve **Results Together.**

As always, please feel free to contact me at any time. In the meantime, I'll see you around the neighborhood. :)

Warm Regards,

Dan Halden

COUNCILMEMBER O'FARRELL ANNOUNCES "HEART OF HOLLYWOOD" INITIATIVE

New strategic plan will focus on cultivating opportunities in housing, economy, and the arts in the heart of Hollywood

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell announced Thursday the creation of *HEART of Hollywood,* a long-term strategic and creative initiative to promote economic growth, world-class design, and a strong sense of place and community in the historic core of Hollywood.

"Hollywood is an iconic destination known the world over, but it is also a regional economic engine helping create good jobs and healthy neighborhoods," said Councilmember O'Farrell. "I've been working to ensure that Hollywood evolves into a future worthy of its rich history with a priority focus on its residents, businesses, and its signature entertainment industry, as well as its rightful place as a world tourist destination."

HEART of Hollywood will harness the converging interests in the area and zero in on Councilmember O'Farrell's priorities, including: preserving and revitalizing the historic core of Hollywood Boulevard; more housing; attracting quality investment; improving the built environment; and creating a sustainable, vibrant neighborhood where people can live, work, and have quality experiences. Leading the initiative as its Director will be Dan Halden, O'Farrell's longtime field deputy for the neighborhood, who will officially start in his new role on December 1st**.**

"*HEART of Hollywood* will be our long-term blueprint and ensure that our efforts are thoughtful, coordinated, and dedicated to serving the community's overall needs," said Halden. "Hollywood has a lot going for it with more than 10,000 units of housing and 800,000 square feet of commercial office space proposed or under construction. In my time with Councilmember O'Farrell's office, we have built multiple pedestrian safety improvements and preserved several historic cultural landmarks. I want to continue this forward momentum, with a focus on the shared belief that Hollywood can better serve the people who live and work here."

"Dan is passionate about all things Hollywood, including pedestrian safety, the arts, and housing," said Councilmember O'Farrell. "He has shown caring and compassionate leadership on housing our homeless, and understands Hollywood's complex challenges and opportunities. I can't think of a better person to lead *HEART of Hollywood*, which will value our *History,* grow our *Economy,* celebrate the *Arts* and *Architecture,* and achieve *Results Together.*"

I have some news to share with you this morning. The office of Councilmember O'Farrell is pleased to announce *HEART of Hollywood,* a new long-term strategic and creative initiative which will focus on promoting economic growth, world-class design, and a strong sense of place and community in the historic core of Hollywood.

I encourage you to read our press release below, which has some initial details on this initiative. You can also check out this article:https://beverlypress.com/2018/10/ofarrell-announces-heart-of-hollywood-project/

We will have more to share soon, over the coming weeks and months. But the main detail I can provide now is that, after four and a half years as your Hollywood field deputy, I will be moving on from my current position and transitioning into a new role as the Director of *HEART of Hollywood.*

Serving as your field deputy has been an enormous privilege, and I am very proud of the work we have done together. Though any change can be bittersweet, I am excited to be able to continue and build upon our accomplishments in my new role, with this new initiative.

What does "HEART" mean, you might be wondering? It means that our focus will be on the literal and figurative *heart* of Hollywood, and that the priorities of this initiative will be to value our **History,** grow our **Economy,** celebrate the **Arts** and **Architecture,** and achieve **Results Together.**

As always, please feel free to contact me at any time. In the meantime, I'll see you around the neighborhood. :)

Warm Regards,

Dan Halden

COUNCILMEMBER O'FARRELL ANNOUNCES "HEART OF HOLLYWOOD" INITIATIVE

New strategic plan will focus on cultivating opportunities in housing, economy, and the arts in the heart of Hollywood

HOLLYWOOD - Los Angeles City Councilmember Mitch O'Farrell announced Thursday the creation of *HEART of Hollywood,* a long-term strategic and creative initiative to promote economic growth, world-class design, and a strong sense of place and community in the historic core of Hollywood.

"Hollywood is an iconic destination known the world over, but it is also a regional economic engine helping create good jobs and healthy neighborhoods," said Councilmember O'Farrell. "I've been working to ensure that Hollywood evolves into a future worthy of its rich history with a priority focus on its residents, businesses, and its signature entertainment industry, as well as its rightful place as a world tourist destination."

HEART of Hollywood will harness the converging interests in the area and zero in on Councilmember O'Farrell's priorities, including: preserving and revitalizing the historic core of Hollywood Boulevard; more housing; attracting quality investment; improving the built environment; and creating a sustainable, vibrant neighborhood where people can live, work, and have quality experiences. Leading the initiative as its Director will be Dan Halden, O'Farrell's longtime field deputy for the neighborhood, who will officially start in his new role on December 1st**.**

"*HEART of Hollywood* will be our long-term blueprint and ensure that our efforts are thoughtful, coordinated, and dedicated to serving the community's overall needs," said Halden. "Hollywood has a lot going for it with more than 10,000 units of housing and 800,000 square feet of commercial office space proposed or under construction. In my time with Councilmember O'Farrell's office, we have built multiple pedestrian safety improvements and preserved several historic cultural landmarks. I want to continue this forward momentum, with a focus on the shared belief that Hollywood can better serve the people who live and work here."

"Dan is passionate about all things Hollywood, including pedestrian safety, the arts, and housing," said Councilmember O'Farrell. "He has shown caring and compassionate leadership on housing our homeless, and understands Hollywood's complex challenges and opportunities. I can't think of a better person to lead *HEART of Hollywood*, which will value our *History,* grow our *Economy,* celebrate the *Arts* and *Architecture,* and achieve *Results Together.*"

Not to mention he is blocking our bushes and refuses to move so that our landscaper can trim them. Do we have any options here?

Hi All,

Quick update-

You may remember (or not) some info I sent you in the recent past on 2 issues with Dream that I was pursuing:

- lack of required onsite parking

- the need of a new CUB for the rooftop

In brief, DCP had me notify B&S. Two weeks ago I received a call from a B&S inspector, Jeff Bytheway, and he told me that Dream needs to rectify the parking issue with Planning. On the CUB, he told me they are not allowed to be selling alcohol on the rooftop and he has told them so. He said they've closed the rooftop for the season.

Maybe I misunderstood, but if I understood correctly and they are NOT currently allowed alcohol sales on the rooftop, is LAPD aware of this? If so, has LAPD checked if they are doing it anyway?

Thanks,

David

Hi Brian,

See below… this constituent is in your new area. I've been in touch with him for a while. I think he would appreciate a relationship with his new permanent SLO. Could you please give him a call?

Thanks,

Isaac Singer
[redacted]

Contacted our office to update our office regarding increased criminal activity in the area. There was mail theft a few weeks ago but the constituent did not wish to report it to USPS and instead contacted Amazon and got it reimbursed through them. He also said that a homeless individual trespassed onto the property and defecated on the laundry room floor. Lastly he said there has been an increase in petty crime, a car was keyed recently and there is always theft at the nearby 7-eleven but people refuse to call LAPD because they apparently dismiss their claims and try to convince them not to file a report because that would look bad on their stats.

Told him I would relay his message over to you.

Best,

Hi Sergeant,

Hope you are well.

As mentioned on the phone, constituents want these streets as Overnight Parking District:

7800-7887 Hillside Avenue (from Ogden Avenue to Fairfax Avenue)

1700 N Block of Orange Grove from Hollywood Boulevard to Fareholm Avenue

We will do the petitioning process to make sure it meets 67% compliance and will submit a letter upon approval. SLO Sanchez recommended the area for OPDs so we just wanted a letter from the LAPD if you can provide that, please!

Thanks,

Madelynn

Bridge Housing project to 1533 Schrader Blvd, which is why I'd be thrilled to have participation from all of you: **LAPD, LASAN, Hollywood 4WRD, PATH, The Center, and United Way!**

In addition to the two panel discussions, we will have tables and booths set up for residents to ask representatives of City Departments questions about things like planning, sanitation, sidewalk improvements, pending legislation, traffic issues, etc.

Please let us know if you can join us for the homelessness session, and I will be in touch with you to coordinate logistics at a later time. We anticipate **the panel to last from approximately 11:00 AM to 12:00 PM.**

Good morning Dan. This guy in the blue shirt and blue jeans is a complete trouble maker. He's been in the park for about a week now. He paces and yells all day and well after 11pm. For the past two nights he gone on yelling and screaming until well after 2am and starts at 5am. He picks fights

Hi everyone,

I'm including all of you on this to gauge your thoughts. Lisa Yancey and John Weight (LADBS) is already aware of this request but I also wanted to hear from our Hollywood partners:

- **LAPD:** Capt. Cory Palka, Lt. Michael Ling, Sgt. Neil Wank, and Officer Ben Thompson
- **LAFD:** Capt. Scott Miller, Insp. Eugene Andrews
- **BSS:** Lt. Karen Bowie
- **LADOT:** District Engineer Bhuvan Bajaj

Please see the attached deck with a request from AFI Film Festival (Nov. 2018 at the TCL Chinese Theatre) to build a pedestrian bridge over Hollywood Blvd. The bridge would be sponsored by and branded with a private company logo - Audi.

I've shared this with the Councilmember, who is curious / a bit skeptical regarding the viability of this proposal. We appreciate the desire to create a safe pedestrian experience but are not sure if it can or would work. **Please advise** your thoughts on this matter ASAP.

Subject: **Please Share!** REMINDER: CicLAvia (connecting Hollywood w/ Downtown LA) - THIS SUNDAY, September 30th - 9:00 AM to 4:00 PM

Neighbors,

Please be reminded that the CicLAvia event in celebration of the 100th anniversary of the Los Angeles Philharmonic Orchestra, connecting Hollywood with Downtown and points in between, is **this Sunday, September 30th from 9:00 AM to 4:00 PM.** There will be dozens of musicians and bands performing throughout the day at various hubs along the route, including near Capitol Records in Hollywood.

The following streets in the 13th District will be closed during the event:

- **Western Avenue,** from Wilshire Boulevard to Melrose Avenue
- **Melrose Avenue,** from Western Avenue to Vine Street
- **Vine Street,** from Melrose Avenue to Yucca Street

There are several crossing points throughout the route at most major intersections. Street closures will take place as early as 6:00 a.m., as the area will be secured strictly for cyclists, pedestrians, runners and skaters to use as a recreational space.

The Los Angeles Department of Transportation (LADOT) is advising vehicular traffic to expect medium-to-long delays on nearby streets. LADOT also wants to remind motorists to be alert to any uniformed officers and event participants such as cyclists and walkers.

Vehicles will not be allowed to enter or exit the route during the event. If your home or business is along the route, you will need to park your vehicle elsewhere. **Streets will reopen by approximately 5:30 p.m.**

Please plan ahead for these events, and take public or alternate forms of transportation when possible.

Subject: **Please Share!** REMINDER: CicLAvia (connecting Hollywood w/ Downtown LA) - THIS SUNDAY, September 30th - 9:00 AM to 4:00 PM

Neighbors,

Please be reminded that the CicLAvia event in celebration of the 100th anniversary of the Los Angeles Philharmonic Orchestra, connecting Hollywood with Downtown and points in between, is **this Sunday, September 30th from 9:00 AM to 4:00 PM.** There will be dozens of musicians and bands performing throughout the day at various hubs along the route, including near Capitol Records in Hollywood.

The following streets in the 13th District will be closed during the event:

- **Western Avenue,** from Wilshire Boulevard to Melrose Avenue
- **Melrose Avenue,** from Western Avenue to Vine Street
- **Vine Street,** from Melrose Avenue to Yucca Street

There are several crossing points throughout the route at most major intersections. Street closures will take place as early as 6:00 a.m., as the area will be secured strictly for cyclists, pedestrians, runners and skaters to use as a recreational space.

The Los Angeles Department of Transportation (LADOT) is advising vehicular traffic to expect medium-to-long delays on nearby streets. LADOT also wants to remind motorists to be alert to any uniformed officers and event participants such as cyclists and walkers.

Vehicles will not be allowed to enter or exit the route during the event. If your home or business is along the route, you will need to park your vehicle elsewhere. **Streets will reopen by approximately 5:30 p.m.**

Please plan ahead for these events, and take public or alternate forms of transportation when possible.

Dan,

I am reaching out to you in hope that you are able to assist me in addressing an issue that is beginning to impact the hotel. Over the last month, we have begun to struggle with the north alley adjacent to the hotel becoming a “hang out area” for local kids and individuals that are up to no good. As you may be aware, that alley between the gas station and the hotel is technically a city street but has become an area for skate boarding, drug use, pop up homeless encampments as well as people using it as a restroom. My team tries to keep in clean and move people along but they continue to hang out and it has really become an issue. Needles, crack pipes are commonly found out there and it appears to be unchecked. All of this is in direct view of a good portion of the guestrooms and becoming an issue for guests.

May I request a bit of your time to visit the hotel and allow me to show you what we are dealing with? I have been a BID board member for years and know what we are dealing with as a city, but this is starting to encroach on to our property and if it is not dealt with soon it will impact my business. Additionally, I would like to show you what is happening with a few of our neighbors as I believe a few of our surrounding establishments should have some scrutiny.

I would love to invite you to the hotel, but you breakfast or lunch and just give you a quick tour of what I am talking about.

Thank you for your time and I look forward to hearing from you.

Brian

Dear Dan:
2 months ago I called you about skateboarders on the Walk of Fame.
I sent you photos of bicyclists, skateboarders, and electric scooters on Hollywood sidewalks. You referred this to a police officer.

I've left phone messages for that police officer.
TO DATE HE HAS NOT REPLIED.

I'm concerned that this serious HAZARD is not being taken seriously and addressed expeditiously.

Who is Mayor Garcetti''s deputy on TRANSPORTATION?
Who has responsibility for PEDESTRIAN SAFETY on CITY STREETS?

Thank you.
